Subject: IMPORTANT UPDATE ON REACT OPERATIONS

Greetings REACT Member Administrators and REACT Representatives!

REACT has been challenged with staffing shortages in past few months. The Board of Directors has worked diligently to address this and have built an incredible, hardworking team to serve you and your residents moving into the future! We regret to inform you that Lilly Sweet, former general manager, is no longer employed with REACT. The GM position remains vacant; however, the Board of Directors is currently accepting and reviewing resumes for this position.

The Annual General Meeting is usually held in the month of April but will be held in June this year. Year-end for 2022 is in the process of being finalized, as well as the budget for 2023. Holding the AGM meeting in June will allow time for the new general manager to be trained and become familiar with operations.

Your municipal office will see an increase in communications from REACT. The Board invites you to attend Ward meetings which will be scheduled in the upcoming weeks to discuss important matters such as members serving withdrawal notice and what this means for the members. It is important that your Council know the facts to make an informed decision before withdrawing from the authority. Discussions will include the availability of automated curbside wheeled cart pickup for communities,

update on landfills/recycling programs and day to day operations

In addition, the Ward meetings will be an opportunity to discuss the recommendations of the Eco Engineering Study that was finalized in March of 2022. Many members have expressed their concerns about some of the recommendations in the report and would like clarification on certain items.

REACT's Board members are available to discuss any matter your Council may have concerns about. They will do their best to address your concern and if necessary, take your concern to be discussed at a REACT board meeting. There is a regular REACT board meeting being held on March 29.

I am helping out at the REACT office to offer support until the new general manager is hired and trained. I would be more than happy to help answer any questions you may have with regards to day to day operations, membership withdrawal and how it affects your community, including questions related to the Eco Engineering Study.

REACT administration will notify you of the Ward meeting date, location and time. We look forward to seeing you there!

Sincerely,

Wendy Yaworski, Interim Manager

SPRING ROAD RESTRICTIONS

First Order 2023

Minister's Order Pursuant to section 35(1) of "The Highways and Transportation Act, 1997"

Pursuant to section 35(1) of "The Highways and Transportation Act, 1997" it is hereby ordered that effective **Friday April 7, 2023, at 12:01 AM** and until further notice, vehicles other than those exempted in Part II, section 2) and 3 (5) of "The Vehicle Weight and Dimensions Regulations, 2010", shall be restricted as follows:

Steering Axle

- 10.0 kg per mm (560 pounds per inch) width of tire (manufacturer's stamped dimension) to a maximum of
- 5,500 kg on the steering axle for a truck or truck tractor equipped with a single steering axle.
- 11,000 kg on the steering axle group for a truck or truck tractor equipped with a tandem axle steering group.

Other Axles

- 6.25 kg per mm (350 pounds per inch) width of tire (manufacturer's stamped dimension) to a maximum of:
- 1,650 kg (3,638 pounds) per tire, or
- 2,630 kg per tire for axles equipped with single tires with a width of 445 mm or greater.

This order does not permit the weight on any axle, axle group or vehicle from exceeding the maximum weight prescribed in the "The Vehicle Weight and Dimension Regulations, 2010" for that axle, axle group or vehicle.

The restriction does not apply to:

- Emergency vehicles,
- Ministry of Highways and Infrastructure vehicles and municipal maintenance equipment when conducting maintenance or accessing sites on or along the restricted highway,
- SaskPower, SaskEnergy and SaskTel vehicles when accessing sites along the restricted route,
- Recreational vehicles,
- Buses,
- Farm Equipment operated or towed,
- Vehicles directly crossing a Provincial Highway at an intersecting public highway or private road.

Please note that some provincial highways and bridges are subject to special reduced or restricted weights and some are for specific periods of the year, some for precise temperatures. A detailed description of these special restrictions is listed on the last four pages of this Order.

Presentation of financial reports

- March 2023 financials – bank reconciliation, summary, detailed
- 2022 annual draft audited financial statements – under ‘New Business’

Office Update – previous month

- **Minutes & tasks from the Mar 8, 2023 regular meeting**
 - \$ transferred to/from reserves as per resolutions
 - Letters sent: Hillview, T. Gay, realtors re: invitation to list TTP
 - T. Gay response – he will be back in Canada middle of April, indicated his concerns are the price/acre (too high), old railroad bed with very little value in relationship to growing a crop
 - Water stations – informed Saskwater of continuing arrangement but to discontinue THM & HAA testing; contacted WSA – we do NOT need to pump out the water in the underground holding tank, we can pump it out onto the ground.
- **Outside crew interviews:** T. Brodacki accepted but then turned the offer down after finding something closer to home. 2 other interviews conducted the week of March 27
 - Seasonal positions offered to S. Pozniak, L. Rabie
 - Summer position – will offer to L. Baumann, offer one additional?
- **SARM annual convention** – Mar 14 & 15
 - Resolutions – all passed except the first one
 - Bear pit & dialogue sessions were informative
- **2021 tax enforcement update** –
 - **2021** – 2 properties in tax enforcement, liens are registered against these properties
- **RMAA Spring Workshop** – attended in Prince Albert, March 23. Various topics covered
- **RIRG grant update** – all funds have been received! Update coming in-camera
- **SGI Traffic Safety Grant** – application filled out by Ashley, submitted week of Mar 27th
- **Reports for April council meeting**
- **Balone pit** – crush should be done by the end of the week; another progress invoice received for another 20,000 yards – included in list of accounts for approval;
 - Measure? Summit measure or RM independent measure?
 - Road bans – permit for them to exit the RM when they’re done crush (will be requested by Monte)
- **Payroll** – March 17th, Mar 31st (Ashley input, Fay review), March firepay
- **Monthly & annual invoicing** (Ashley, Fay review) – Mar fire calls, Q1 water, NCRPA – monthly, Q1 shared fire costs, fire agreements (still have to invoice Alvena), RM land rent
- **Filings** – monthly school returns, Canada Building Fund annual reporting (gas tax)
- **Planning & Development** – worked with Ashley on the following:
 - Oleksyn subdivision request – further correspondence with Community Planning (report in New Business)
 - Hegedus parcel tie removal – met with the family, advised the proper steps are to go through Community Planning & submit a formal subdivision application
 - Notices of violations issued – Wakonda property (garage), seacans (Osze & Berard); interests registered on relevant properties

April 12th, 2023 Council Meeting

- **Committee meetings:**
 - **Joint Fire committee** – Mar 21 with Town of Wakaw & Town of Cudworth. Both are agreeable to moving forward. Met with Fire Chief Dar LaRiviere Apr 3.
 - Put together materials for the fire meeting with both fire departments (to be held Wed Apr 26th)
 - **Community Health Council** – Mar 30, Wakaw Rec Centre. Main takeaways – wanting to increase lab service in both Wakaw & Cudworth health centres
 - **Budget committee** – met the afternoon of Friday March 24th. Still waiting on assessment values to finalize; tax increase discussed
- **SAMA Administrator training** – Tuesday, April 4th afternoon
- **Webinars/training:**
 - Munisoft computers in the municipal office – Monday March 27th
- **RM office sidewalk paving** – priority for 2023 or no? Refer to budget?

Next Month

- 2023 assessment roll – set to receive on Apr 15th
 - Once received – work on finalizing budget and scheduling another budget committee meeting
- Ens well key – agreements & invoicing to send out
- Asset management – will touch base again with Gord after reviewing materials
- OH&S
- Previous meeting tasks:
 - Wacasa decommissioning – send letters out regarding sewage tank encroachment (for tanks in road allowance) to all lot holders; Ralph to organize decommissioning this spring
 - Overweight hauling permits
 - Set up meeting with Redi-Mix
- Storage lot advertising

Title: Civic Addressing Update

Options:

1. Receive & file

2. Other (Council)

- New bylaw
- Rural properties are completed
 - 236 signs/posts needed.
 - 38 additional addresses (bin yards, second driveways, crown buildings)
- Quotes for Posts for rural yards – Need to determine if we need 10ft or 12 fts.
- Ready to order the remaining lake signs and all rural signs. Will be doing this ASAP so that we are ready to go for the summer.
 - Time Lines for signs from Aurora:
 - Rural – 6-8 Weeks
 - Lake Lots – 10 days
 - Lake Number Signs – 10 days
 - Road Signs (TWP/RR and beach roads) – 6-7 weeks
 - Need to determine TWP/RR signs
 - I found all intersections that should need addresses, but need to go drive and find out what intersections already have signs/posts.
 - Talk to Ralph about this if one of the guys would be able to do it.
- Need to submit road name changes to ISC

Respectfully submitted,

Ashley Pfeiffer

Rural Municipality of Hoodoo No.401 Report

For: Council
Date: April 3, 2023
From: Fay Stewart
Title: Policy – Commemorative Plaque

Options:

1. Receive and file.
2. That Council review and approve commemorative requests on an individual basis for employees and Council members.
3. That Council approve a commemorative plaque or like to be purchased in the name of long-standing employee Tony Poth, with an amount being spent of up to \$500, and that administration contact the family to discuss details.
4. That administration continue to work on summarizing years of service for both Council members and employees, and to bring forward suggestions for commemoration of long-serving Council members and employees.
5. Other (Council)

Background: In 2019, Council had directed administration to design a commemorative plaque for long term employees:

2019-369-Longterm council/employee recognition

Moved by Hal Diederichs to purchase an exterior, freestanding, moveable sign with plaque for long term service. Administration to draft a policy stating whom receives recognition and after how many years. Carried

This was based on request from a family member of a long-term employee. The plaque was never developed, and the family member came forward and requested that the resolution be followed up on August 10th, 2022.

At the October 12, 2022 Council meeting, the following resolution was passed:

2022-381 – Moved by Derreck Kolla:

That administration drafts a policy for criteria for be listed on separate commemorative plaques - 10 years for employees and all council members.

Discussion: Administration has started summarizing this information, and have all of the Council members listed, but are working on the employees. There is concern that we might miss employees, as we are relying on going through historical payment records i.e. there no listing anywhere. The

suggestion was brought forward whether commemoration for employees should be reviewed when requested only. This could be considered for Council members also (outside commemoration request).

For the Council members plaque – see the listing. Are there any specific thoughts as to what this may look like? A suggestion was brought forward that the listing be available online vs. on a plaque that has to be updated.

Financial Implications: dependant on what is chosen for the commemoration.

Attachments: Historical ouncilor listing

Conclusion: If commemoration is dealt with on only a request basis, this reduces the risk of forgetting someone, as well as reduces cost.

Respectfully submitted,

Fay Stewart

Rural Municipality of Hoodoo No.401 Report

For: Council
Date: March 10, 2023
From: Joan Corneil
Title: Policy change Boot Policy and HR Manual

Options:

1. Receive and file
2. That Council incorporate the Boot Policy PW01 into the HR manual – “Dress Code and Appearance, Outside Employees” and that “Boot Policy PW01” be removed and the change is made in the HR Manual.
3. That the RM of Hoodoo maintain a separate policy from the HR Policy Manual regarding boots with a change to reflect the costs to be included in the \$300.00 allowance in the HR Policy Manual.
4. Other (Council)

Background: The review of the HR Manual is completed and the section regarding PPE was changed to allow for the employees to purchase up to \$300.00 for PPE- reflective vests/shirts, reflective coveralls, reflective outerwear jackets and CSA Approved boots.

Approved Policy change at March meeting:

Outside Employees

- Employees are responsible for wearing any personal protective equipment and clothing required by the R.M. of Hoodoo No 401. Employees are also required to wear CSA approved footwear and reflective clothing.
- The R.M. of Hoodoo No 401 provides, but not limited to, safety glasses, gloves, , disposable ear plugs, disposable hand wear and hard hats.
- The receipt must be dated in the current year of the claim and be submitted to the Foreman for review and the Administrator for payment.
- Clothing allowance claims must be submitted prior to December 31st of each year.
- If not used within the current calendar year, the clothing allowance **will not** be carried forward into new calendar year.
- The RM of Hoodoo will allow three hundred dollars(\$300.00) per year to employees for the purpose of purchasing Personal Protective Equipment (PPE) reflective vests, reflective shirts, reflective coveralls, reflective outer wear jackets

NOTE: Clothing Allowance Calendar year is defined as January through December

Proposed change to Section

Outside Employees

- Employees are responsible for wearing any personal protective equipment and clothing required by the R.M. of Hoodoo No 401. Employees are also required to wear CSA approved footwear and reflective clothing.
- The R.M. of Hoodoo No 401 provides, but not limited to, safety glasses, gloves, , disposable ear plugs, disposable hand wear and hard hats.
- The RM of Hoodoo will allow three hundred dollars (\$300.00) per year to **employees for the purpose of purchasing Personal Protective Equipment (PPE)** reflective vests, reflective shirts, reflective coveralls, reflective outer wear jackets and boots.
- The PPE purchased under the \$300.00 allowance will be the property of the employee that purchased it.
- All PPE allowance requests must be vetted through the Foreman.
- The receipt must be dated in the current year of the claim and be submitted to the Foreman for review and the Administrator for payment.
- Clothing allowance claims must be accompanied by a receipt and must be submitted prior to December 31st of each year.
- If not used within the current calendar year, the clothing allowance **will not** be carried forward into new calendar year.

NOTE: Clothing Allowance Calendar year is defined as January through December

Procedures:

1. Staff member will purchase the appropriate PPE
2. Staff member will bring in the PPE and receipt for same
3. Administration will mark PPE for tracking and future reference

Discussion: Although it is redundant to have a separate boot policy and the PPE section in the HR Manual, Council may wish to consider removing the boot item from the HR Manual and keep the policy with a change as to the costs.

Financial Implications: as per HR Policy Manual

Attachments:

Conclusion: In order to apply clarity to the HR Manual, a change will need to be made regarding boots.

Respectfully submitted,

Joan Corneil

Office Assistant:	Reanne Fontaine
Foreman:	Ralph Myrheim
Assistant Foreman:	Mike Doerksen

Effective January 15, 2023 the RM is using the following new email addresses:

- General office email: office@rmofhoodoo.ca
- Fay Stewart, CAO: fstewart@rmofhoodoo.ca
- Ashley Pfeiffer, Planning and Development: ashley@rmofhoodoo.ca

Please adjust your records. E-transfers can be sent to office@rmofhoodoo.ca

EMAIL CONTACT – As a cost-saving measure for the RM, we are hoping more ratepayers sign up for e-notices. An Email Consent Form is available at the office and on the website to receive notices, receipts, info, etc., via email. All personal information, including email addresses, is kept confidential.

PAYMENT METHODS – The following are accepted by the RM for payment of accounts: cheque, cash, e-transfer (send via email to office@rmofhoodoo.ca) and telpay online through credit unions. The RM is also set up for monthly withdrawals for tax payments. Please contact the office for more information.

ROAD BANS – Spring road bans are in effect as of Friday, April 7, 2023. The orders will be posted on the RM website, and an email will be sent once the road restrictions are lifted. While road bans are in effect, no hauling of secondary or primary weights is to occur on any RM roads. A permit may be issued by the office if the weather reaches -5 Celsius the night prior, and the haul is completed before noon. Please call the office to obtain a permit if needed.

RM ROAD SAFETY – The speed limit on the RM's grid roads is 80 km/hr unless posted otherwise. The speed limit is reduced to 60 km/hr for trucks over fifteen tonnes. **RM Employees/Equipment = Orange Zone. Please slow to 60 km/hr when passing RM employees and equipment.** We ask that travelers be aware that the equipment is maintaining the roads for your use and that courtesy towards our operators is expected. Be patient and drive with care when meeting or passing municipal equipment.

DITCH MOWING – Please notify the office prior to July 1 of any ditches that will be cut by adjacent landowners.

TRESSPASSING LAWS – We would like to remind everyone that effective January 1, 2022, the province passed new legislation that requires individuals to obtain landowner permission to be on their land. Consent can be provided in writing, electronically, orally, or through signage. Please keep this in mind while going hiking, quadding, sledding, etc.

HOME-BASED BUSINESSES & COMMERCIAL USES – If you wish to operate a home-based or commercial business within the RM, you must apply for a discretionary use permit. The RM does not issue business licenses, but any businesses must be approved via a discretionary use application. Please refer to the Zoning Bylaw found on the RM website for the home-based or commercial use information in the district you are located in.

SAFE BURNING PRACTICES – The RM and local fire departments would like to remind ratepayers to call in controlled burns, even in the winter. The number for the controlled burn line is **1-866-404-4911**. Please keep your phone on you as emergency services may call you to confirm the burn is still under control. If a passerby calls in a fire when there is no controlled burn called in and the fire department is dispatched, there is a \$1,000 minimum charge to the land. You will also be charged \$1,000 if you are called as a check-in from emergency services and you do not answer your phone and the fire department is dispatched.

GARBAGE FOR WAKAW LAKE - The regular weekly summer pickup of garbage will start after the May long weekend this year and will continue until around Thanksgiving long weekend. The normal pick-up day is Monday but will move to Tuesday if a holiday falls on the regular day. Regular household garbage only is accepted and in a REGULAR garbage bag (75L Bags, not small plastic/grocery bags or the very large leaf bags) and no heavier than 40 lbs. **Nothing loose.** A garbage collection schedule is attached to this email as well as posted on the RM website.

Please **DO NOT** put wire, broken glass, nails or construction materials in garbage bags. This has happened several times this summer and injured workers. If your garbage is refused for one of these reasons you will be responsible to take it to REACT at the landfill or transfer station.

If you have any questions regarding garbage, please contact REACT in Humboldt @ (306) 682-1955.

CIVIC ADDRESSING – Civic addressing signs and posts continue to be put up at the beaches around Wakaw Lake. We are about 75% complete the lake and will finish the lake this summer. As we have stated in the past, this is a uniform system that is being installed throughout all the subdivisions. These numbers are registered with 911 and local emergency services; however, we need the Ministry of Highways to approve the roads before the numbers can be used. We will notify you when you can use your civic address. These numbers will also be inputted into our system as an identifier for your lot, instead of your lot/block number.

DEVELOPMENT – All development in the RM requires a permit. You can read through ~~the~~ Bylaw 14 of 2018 Zoning Bylaw on our website for the zZoning District you are in or call the office regarding any questions. Permit applications are also available on our website under the “documents” tab. Recently, there ~~has~~ been a lot of inquiriesy regarding the use of Mmunicipal or crown lands. Municipal land is designated as municipal reserve, public reserve, environmental reserve, buffer strips, or walkways. Uses are restricted to those indicated in the Planning & Development Act and Dedicated Land Regulations.~~This land is environmental and is to remain as natural as possible. There is no parking, storage or building allowed on these lands.~~

HOME-BASED BUSINESSES & COMMERCIAL USES – If you wish to operate a home-based or commercial business within the RM, you must apply for a discretionary use permit. The RM does not issue business licenses, but any businesses must be approved via a discretionary use application. Please refer to the Zoning Bylaw found on the RM website for the home-based or commercial use information in the district you are located in. You can also call or email the office for more information.

RM ROAD SAFETY – The speed signs that were used around Wakaw Lake will be put up at various locations again around Wakaw Lake starting in May. The RM received great feedback from ratepayers regarding these signs and applied for a grant to obtain two more. With busy season at the lake coming up, we urge all to slow down on all beach roads.

NO PARKING ON ROAD ALLOWANCE – The RM would like to remind the ratepayers that you are not allowed to park on the road allowance or municipal reserve. This creates very tight situations with snow removal and garbage pickup. Please be courteous to our machinery and to your neighbors when parking. Warnings will no longer be given. If a vehicle, trailer, etc. is parked on road allowance, it will be immediately towed.

TRESSPASSING LAWS – We would like to remind everyone that effective January 1, 2022, the province passed new legislation that requires individuals to obtain landowner permission to be on their land. Consent can be provided in writing, electronically, orally, or through signage. Please keep this in mind while going hiking, quadding, sledding, etc.

Rural Municipality of Hoodoo No. 401 Report

For: RM of Hoodoo - Council

Date: April 10, 2023

From: Fay Stewart

Title: Speed limit change in the RM

Options:

1. Receive & file
2. That Bylaw 9 of 2023, a Bylaw to Establish a Speed Limit for Heavy Vehicles, be laid on the table under order of business 'Bylaws'.
3. Other (Council)

Background: At the December 2022 Council meeting, Council authorized administration to bring forward a change to Bylaw 8 of 2017 regarding changing the speed limit to 60 km/hr for vehicles over 15 tonne for the entire RM. Upon review of Bylaw 8 of 2017, it was discovered that it would be more efficient to repeal it and bring a new bylaw forward.

Discussion: The draft bylaw is attached. One thing to note is that the neighbouring RMs have a limit of 60 km/hr for vehicles over 10 tonnes.

Signs would be ordered to be placed on posts in conjunction with the civic addressing signs.

If Council wishes to revisit the bylaw for speed limit at Wakaw Lake, it is attached to this report (Bylaw 3 of 1994, Amended Bylaw 4 of 2002).

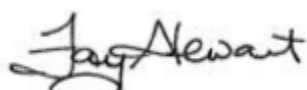

Financial Implications: The cost will be included in the budget, under the 'signs' account.

Attachments:

- Draft bylaw 9 of 2023
- Bylaw 8 of 2017
- Bylaw 3 of 1994, Bylaw 4 of 2002

Conclusion: Council must pass a bylaw in order to have the speed limit in effect.

Respectfully submitted,

RURAL MUNICIPALITY OF HOODOO NO. 401

Bylaw No. 9 of 2023

A Bylaw for the Purpose of Establishing a Speed Limit for Heavy Vehicles

Auditor's Report

Financial Statements

December 31, 2022

DRAFT

MANAGEMENT'S RESPONSIBILITY

To the Ratepayers of
R.M. of Hoodoo No. 401 :

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management is required.

In discharging its responsibilities for the integrity and fair presentation of the financial statements, management designs and maintains the necessary accounting, budget and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the financial statements.

The Council is composed of elected officials who are not employees of the Municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by the administration and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the Municipality's external auditors.

Jensen Stromberg Chartered Professional Accountants, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

INDEPENDENT AUDITOR'S REPORT

To the **Reeve and Council of R.M. of Hoodoo No. 401**

Report on the Financial Statements

Opinion

We have audited the financial statements of **R.M. of Hoodoo No. 401**, which comprise the statement of financial position as at **December 31, 2022** and the statements of financial activities, changes in net financial assets, and changes in financial position for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Rural Municipality as at **December 31, 2022** and its financial performance and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Rural Municipality in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Rural Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and the use of the going concern basis of accounting unless management either intends to liquidate the Rural Municipality or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Rural Municipality's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Rural Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Rural Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Rural Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

R.M. OF HOODOO NO. 401

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the municipality are prepared by management in accordance with the local government accounting standards established by the Public Sector Accounting Board. Significant aspects of the accounting policies are as follows:

(a) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

(b) Reporting Entity

The financial statements consolidate the assets, liabilities and flow of resources of the Municipality. The entity is comprised of all organizations owned or controlled by the Municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources.

Partnerships

A partnership represents a contractual arrangement between the municipality and a party or parties outside the reporting entity. The partners have significant, clearly defined common goals, make a financial investment in the partnership, share control of decision making, and share, on an equitable basis, the significant risks and benefits associated with the operations of the partnership.

(c) Collection of funds for other authorities

Collection of funds by the municipality for the school board, municipal hall and conservation and development authorities are collected and remitted in accordance with the relevant legislation. The amounts collected are disclosed in Note 3.

(d) Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized as either expenditures or revenues in the period that the events giving rise to the transfer occurred, as long as:

- a) the transfer is authorized;
- b) eligibility criteria have been met by the recipient; and
- c) a reasonable estimate of the amount can be made

Unearned government transfer amounts received but not earned will be recorded as deferred revenue.

Earned government transfer amounts not received will be recorded as an amount receivable.

(e) Other (Non-Government Transfer) Contributions

Unrestricted contributions are recognized as revenue in the year received or in the year the funds are committed to the municipality if the amount can be reasonably estimated and collection is reasonably assured. Externally restricted contributions are deferred until the resources are used for the purpose specified, at which time the contributions are recognized as revenue. In-kind contributions are recorded at their fair value when they are received.

(f) Deferred Revenue - Fees and Charges

Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or services performed.

R.M. OF HOODOO NO. 401

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) Local Improvement Charges

Local improvement projects financed by frontage taxes recognize any prepayment charges as revenue in the period assessed.

(h) Net-Financial Assets

Net-financial assets at the end of an accounting period are the net amount of financial assets less liabilities outstanding. Financial assets represent items such as cash and those other assets on hand which could provide resources to discharge existing liabilities or finance future operations. These include realizable assets which are convertible to cash and not intended for consumption in the normal course of operations.

(i) Non-Financial Assets

Tangible capital and other non-financial assets are accounted for as assets by the government because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the government unless they are sold.

(j) Appropriated Reserves

Reserves are established at the discretion of Council to designate surplus for future operating and capital transactions. Amounts designated are described on Schedule 8.

(k) Property Tax Revenue

Property tax revenue is based on assessments determined in accordance with Saskatchewan Legislation and the formulas, principles, and rules in the Saskatchewan Assessment Manual. Tax mill rates are established annually by Council following the guidance of the Government of Saskatchewan. Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.

(l) Investments

Portfolio investments are valued at the lower of cost, less any provisions for other than temporary impairment.

Investments with terms longer than one year have been classified as other long-term investments concurrent with the nature of the investment. The long-term investments in the Saskatchewan Association of Rural Municipalities - Self Insurance Fund and Wheatland Rail Inc. are accounted for on the equity basis.

(m) Inventories

Inventories of materials and supplies expected to be used by the municipality are valued at the lower of cost or replacement cost. Inventories of land, materials and supplies held for resale are valued at the lower of cost or net realizable value. Cost is determined by the average cost method. Net realizable value is the estimated selling price of the inventory in the ordinary course of business.

(n) Tangible Capital Assets

All tangible capital asset acquisitions or betterments made throughout the year are recorded at their acquisition cost. Initial costs for tangible capital assets that were acquired and developed prior to 2009 were obtained via historical cost information or using current fair market values discounted by a relevant inflation factor back to the point of acquisition. Donated tangible capital assets received are recorded at their fair market value at the date of the contribution. The tangible capital assets that are recognized at a nominal value are disclosed on Schedule 6.

R.M. OF HOODOO NO. 401

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

The costs of these tangible capital assets less any residual value are amortized over the asset's useful life using the straight-line method of amortization. The Municipality's tangible capital asset useful lives are estimated as follows:

<u>Asset</u>	<u>Useful Life</u>
<i>General Assets</i>	
Land	Indefinite
Land improvements	5 to 20 years
Buildings	10 to 50 years
Vehicles and equipment	
Vehicles	5 to 20 years
Machinery & Equipment	5 to 20 years
<i>Infrastructure Assets</i>	
Infrastructure assets	15 to 40 years
Water and sewer	15 to 40 years
Road network assets	15 to 40 years

Government contributions: Government contributions for the acquisition of capital assets are reported as capital revenue and do not reduce the cost of the related asset.

Works of art and other unrecognized assets: Assets that have a historical or cultural significance, which include works of art, monuments and other cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of future benefits associated with this property cannot be made.

Capitalization of interest: The Municipality does not capitalize interest incurred while a tangible capital asset is under construction.

Leases: All leases are recorded on the financial statements as either a capital or operating lease. Any lease that transfers the majority of benefits and risk associated with the leased asset is classified as a capital lease. At the inception of a capital lease, an asset and a payment obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair market value. Assets under capital leases are amortized on a straight line basis, over their estimated useful lives (lease term). Any other lease not meeting the before-mentioned criteria is classified as an operating lease and rental payments are expensed as incurred.

(o) **Liability for contaminated sites**

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- an environmental standard exists;
- contamination exceeds the environmental standard;
- the municipality:
 - is directly responsible; or
 - accepts responsibility;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

The Municipality does not have any contaminated sites.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(p) Landfill liability

The R.M. of Hoodoo No. 401 does not maintain a waste disposal site. No amount has been recorded as an asset or liability.

(q) Measurement Uncertainty

The preparation of the financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

The measurement of materials and supplies are based on estimates of volume and quality.

The 'Opening asset costs' of tangible capital assets have been estimated where actual costs were not available. Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and as adjustments become necessary, they are reported in earnings in the period in which they become known.

(r) Basis of Segmentation/Segment Report

The Municipality follows the Public Sector Accounting Board's recommendations requiring financial information to be provided on a segmented basis. Municipal services have been segmented by grouping activities that have similar service objectives (by function). Revenues that are directly related to the costs of the function have been attributed to each segment. Interest is allocated to functions based on the purpose of specific borrowing.

These segments (functions) are as follows:

General Government: The general government segment provides for the administration of the Municipality.

Protective Services: Protective services is comprised of expenses for Police and Fire protection.

Transportation Services: The transportation services segment is responsible for the delivery of public works services related to the development and maintenance of roadway systems and street lighting.

Environmental and Public Health: The environmental segment provides waste disposal and other environmental services. The public health segment provides for expenses related to public health services in the Municipality.

Planning and Development: The planning and development segment provides for neighbourhood development and sustainability.

Recreation and Culture: The recreation and culture segment provides for community services through the provision of recreation and leisure services.

Utility Services: The utility services segment provides for the delivery of water, collecting and treating of wastewater and providing collection and disposal of solid waste.

(s) Assets held for sale

The municipality is committed to selling the asset, the asset is in a condition to be sold, the asset is publicly seen to be for sale, there is an active market for the asset, there is a plan in place for selling the asset, and the sale is reasonable anticipated to be completed within one year of the financial statement date.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022

10. GRAVEL AGREEMENT PAYABLE

The Municipality has entered into an agreement to pay \$900,000 for the purchase of gravel and lease of land, payable through six annual installments of \$150,000. To date, the Municipality has paid \$600,000.

11. DEPOSIT ON ASSET

During 2022, the Municipality paid a deposit for an asset that has an anticipated delivery date of March 31, 2023. Once the asset is delivered the deposit will be put towards the final purchase price.

12. CONTINGENT LIABILITIES

The Municipality is contingently liable under terms of the Saskatchewan Association of Rural Municipalities Self-Insurance Plan for its proportionate share of claims and future claims in excess of the Plan's reserve fund.

The Municipality, together with a number of other rural and urban municipalities, is a member of the Regional Authority of Carlton Trail - Waste Management District ("REACT"). REACT is governed by the Department of Saskatchewan Environment and Resource Management and is responsible for the waste collection, landfill operations and future revenues as incurred. Future site restoration costs are recognized based on assumptions, engineering studies and estimates to the costs of future removal and site restoration. Changes to the underlying assumptions or legislative changes in the future could have a material impact on the statements. As these costs are not readily determinable, the Municipality has not provided for future site restoration costs.

13. RELATED PARTIES

The financial statements include transactions with related parties. The Municipality is related to Wheatland Rail Inc. under common control of the Council. Transactions with related parties are in the normal course of operations and are settled on normal trade terms.

14. PENSION PLAN

The municipality is an employer member of the Municipal Employee Pension Plan (MEPP), which is a multi-employer defined benefit pension plan. The Commission of MEPP, representing plan member employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration of benefits. The municipality pension expense in 2022 was \$44,581 (2021 - \$43,569). The benefits accrued to the municipality's employees from MEPP are calculated using the following: pensionable years of service, highest average salary, and the plan accrual rate.

Total current service contributions by the municipality to MEPP in 2022 were \$44,581 (2021 - \$43,569). Total current service contributions by the employees of the municipality to MEPP in 2022 were \$44,581 (2021 - \$43,569).

Based on the latest information available (December 31, 2021 Audited Financial Statements) the Municipal Employees Pension Plan had a surplus in the net assets available for benefits of \$1,144,386,000. This is based on the most recent actuarial valuation, completed December 31, 2020. The Rural Municipality's portion of this is not readily determinable.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022

15. RECENT ACCOUNTING PRONOUNCEMENTS

A number of new and amended standards have been issued that may impact the Rural Municipality:

Standards Effective On Or After April 1, 2022

PS 1201 Financial Statement Presentation replaces PS 1200 with revised general reporting principles and standards of presentation and disclosure in government financial statements. Requires a new statement of re-measurement gains and losses separate from the statement of operations arising from the re-measurement of financial instruments and items denominated in foreign currencies, as well as the government's proportionate share of other comprehensive income that arises when a government includes the results of government business enterprises and partnerships. Effective in the period PS 3450 and PS 2601 are adopted.

PS 2601 Foreign Currency Translation replaces PS 2600 with revised guidance on the recognition, presentation and disclosure of transactions that are denominated in a foreign currency. Requires that monetary assets and liabilities denominated in a foreign currency and non-monetary items included in the fair value category, denominated in a foreign currency, be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses are to be presented in the statement of re-measurement gains and losses.

PS 3041 Portfolio Investments replaces PS 3040 with revised guidance on accounting for, and presentation and disclosure of portfolio investments. Removes the distinction between temporary and portfolio investments. Upon adoption of PS 3450 and PS 3041, PS 3030, Temporary Investments, will no longer apply. Effective in the period PS 3450, PS 2601 and PS 1201 are adopted.

PS 3450 Financial Instruments is a new standard establishing guidance on the recognition, measurement, presentation and disclosure of financial instruments, including derivatives. The standard requires fair value measurement of derivatives and equity instrument that are quoted in an active market; all other financial instruments can be measured at cost/amortized cost or fair value at the election of the government. Unrealized gains and losses are presented in a new statement of re-measurement gains and losses. There is the requirement to disclose the nature and extent of risks arising from financial instruments and clarification is given for the de-recognition of financial liabilities.

PS 3280 Asset Retirement Obligations is a new standard establishing guidance on the accounting and reporting of legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. As this standard includes solid waste landfill sites active and post-closing obligations, upon adoption of this new standard, existing Solid Waste Landfill Closure and Post-Closure Liability section PS 3270 will be withdrawn.

Standards Effective On Or After April 1, 2023

PS 3400 Revenue is a new standard establishing guidance on how to account for and report on revenue. The standard provides a framework for recognizing, measuring and reporting revenues that arise from transactions that include performance obligations and transactions that do not have performance obligations. Performance obligations are enforceable promises to provide specific goods or services to a specific payer.

The Rural Municipality continues to assess the impacts of the above accounting standards. The extent of impact resulting from the adoption of these standards is not known at this time.

Rural Municipality of Hoodoo No. 401 Report

For: RM of Hoodoo - Council
Date: April 5, 2023
From: Fay Stewart
Title: Bylaw enforcement – appointment 2023

Options:

1. Receive & file
2. That LM Bylaw Enforcement be appointed as Bylaw Officer under contract for the 2023 year from May 1 to November 15, rates to be at \$60.00/hr and \$0.60/km.
3. That administration contact other bylaw enforcement agencies to obtain quotes for providing bylaw enforcement to the RM.
4. Other (Council)

Background: At the April 13, 2022 Council meeting, the following resolution was passed:

RESOLUTION #: 2022-182
Moved By: Hal Diederichs

That Luc Morin be appointed as Bylaw Officer under contract for the 2022 year from April 18 to November 15, rates to be at \$60.00 / hr and \$0.60 / K

Carried

In October 2022, a letter was sent to Luc, amending the agreement indicating he would be called on an as-needs basis from Nov 16, 2022 – April 30, 2023.

As such, the bylaw officer appointment will expire April 30, 2023.

Discussion: Luc has indicated that the rates would remain the same as last year, and that he would be willing to enter into another contract.

Administration did not research into any other bylaw enforcement options as the services provided by LM Bylaw Enforcement were satisfactory last year, and the rates have not changed.

Financial Implications: 2021 and 2022 costs for bylaw enforcement since switching from B&B are:

2022 - \$16,552 (LM Bylaw Enforcement + WCB cost)

2022	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total
Hours				8	40	30	36	32	24	32		4	206
Miles				240	1,250	1,000	1,060	1,040	790	1,050		230	6,660

Conclusion: A bylaw enforcement appointment needs to be made for 2023, as the current appointment expires Apr 30/23.

Title: Bylaw 9 of 2022

Options:

1. Receive and file
2. That the 2nd reading (Resolution #2022-292), Waiver (Resolution #2022-293), and 3rd reading (Resolution #2022-294) of Bylaw 9 of 2022 be rescinded as per Community Plannings direction, to correct the section reference error in the title.
3. Other (Council)

Background: Bylaw 9 of 2022 was passed at the July 13, 2022 Council meeting. This bylaw was to provide for the exchange of the walkway at Wakonda.

Discussion: Upon recent review of Bylaw 9 of 2022 at Community Planning, Ministry of Government Relations, an error was found. In the title, section 199 needs to be changed to section 201.

Section 199 refers to the sale or exchange of municipal reserve, section 201 refers to walkways. The portion of land being exchanged is a walkway, not municipal reserve.

Because this bylaw has not yet been approved at Ministry of Government Relations, we can rescind the 2nd reading, waiver, and 3rd reading and make the necessary amendment.

Financial Implications: NA

(3) If a council proposes to exchange all or any part of any municipal reserve, the other parcel of land must be of equal or greater area or value, and the land obtained must be designated by the council as municipal reserve.

(4) In passing a bylaw pursuant to subsection (2), the council shall comply, with any necessary modification, with:

(a) the public participation requirements of Part X; and

(b) the ministerial approval requirements of section 200.

(5) If a council proposes to exchange all or any part of a municipal reserve, the minister may, on the request of the council, dispense with the requirements of clause (4)(a) if the minister is of the opinion that the proposed exchange is of a minor nature.

(6) Clause (4)(a) does not apply if a council that has been declared an approving authority pursuant to subsection 13(1) has adopted provisions related to the sale of municipal reserve in a public notice bylaw pursuant to section 24.

2007, c.P-13.2, s.199; 2010.

Ministerial approval of bylaws re sale of municipal reserve

200(1) If a bylaw is passed pursuant to subsection 199(2), the municipal administrator shall submit to the minister:

- (a) two certified copies of the bylaw; and
 - (b) proof of compliance with the requirements of Part X in the form of a statutory declaration of the municipal administrator, together with a copy of all representations respecting the bylaw.
- (2) A bylaw mentioned in subsection (1) has no effect unless it is approved by the minister.
- (3) The minister may refuse to approve a bylaw if the minister is of the opinion that the sale or exchange of the municipal reserve is not desirable.
- (4) This section does not apply to a council that has been declared an approving authority pursuant to subsection 13(1).

Options:

1. Receive & file
2. That Bylaw 7 of 2023, A Bylaw for the purpose of assigning civic addresses, be laid on the table under order of business "Bylaws".
3. Other (Council)

Background: Bylaw 6 of 2022 was passed last summer. After review of other municipalities bylaws, administration felt that there should be more details in our Civic Addressing Bylaw, and the Schedule was not needed. At the March Council meeting, Administration was directed to bring forward a new Civic Addressing Bylaw to provide for more details and regulations.

Discussion: Bylaw 7 of 2023 provides more detail with regards to the specs of the signs, placement on the properties, how the address was determined and penalties if the signs are tampered with.

Financial Implications: N/A

Conclusion: Bylaw 6 of 2022 will need to be repealed if this bylaw is passed.

RURAL MUNICIPALITY OF HOODOO NO. 401

Bylaw No. 7 of 2023

A Bylaw for the purpose of assigning civic addresses.

WHEREAS the Council of the Rural Municipality of Hoodoo No. 401 in the Province of Saskatchewan shall assign civic address numbers to properties within the Rural Municipality for the purpose of emergency response and property identification.

NOW THEREFORE the Council of the Rural Municipality of Hoodoo No. 401, in the Province of Saskatchewan enacts as follows:

1. Short Title

This Bylaw may be referred to as the Civic Addressing Bylaw;

2. Purpose and Intent

This Bylaw is intended to:

- a. Identify that civic addresses are required for location purposes for emergency services and identification; and
- b. Provide for addressing and signage requirements.

3. Definitions

In this Bylaw:

- a. "Administrator" means the Administrator (or designate) of the Rural Municipality of Hoodoo No. 401;
- b. "Designated Officer" means an employee or agent of the Municipality appointed by Council or the Administrator to act for the purposes of this Bylaw;
- c. "Internal Subdivision Road" means a public road, named or unnamed, that is used to access parcels of land within a multi-parcel subdivision;
- d. "Owner" means the person that is registered under the Land Titles Act as the owner of the land;
- e. "Primary Access" means the approach that provides the main access to a parcel of land as identified by the Rural Municipality;
- f. "Road Right-of-Way" means:
 - a. A road allowance established by a survey, made under the Land Surveys Act, or;
 - b. A road widening, road diversion, highway, road, street, avenue, land, alley, walkway or other public right-of-way as shown on a plan of survey registered in Information Services Corporation (ISC) or Ministry of Highways;
- g. "Civic Address" is the address assigned by the Rural Municipality that identifies the primary access to a parcel of land determined using a basic grid derived from the Township and Range Roads;

- h. “Civic Address Sign” is a traffic control device as defined in the Traffic Safety Act that indicates the Civic Address of a parcel of land determined by the approach and as specified in this Bylaw. The type of sign used is a Civic Address Sign;
- i. “Road” means any public street, highway, road, lane, or bridge;
- j. “Road Name” means the official name of a road and road type assigned to a road by this Bylaw;
- k. “Zoning Bylaw” means the Rural Municipality of Hoodoo No. 401 Zoning Bylaw, and all amendments thereto.

4. Civic Address Assignment

- a. All rural parcels of land containing a building and that have a primary access onto a road right-of-way shall be assigned a civic address by the Municipality according to the *Saskatchewan Provincial Standard System for Rural Addressing*;
- b. Where a parcel of land that does not contain a building is part of a multi-parcel subdivision, the Municipality shall assign a civic address according to 5, below.

5. Determination of Addresses

- a. Civic addresses shall be assigned by the Municipality in accordance with the following:
 - i. Each civic address will be determined at the location of the primary access;
 - ii. Each mile of Township Road/Range Road is divided into 40m lot intervals producing 80 addressable lots.
 - iii. If two access locations are within the same 40m lot interval on the same side of the road, a letter designation will be appended to suffix of the civic number (example: 28034A Range Road 3135)
 - iv. If there is a single access to multiple properties, a numerical designation will be appended to the prefix of the civic number (example: #1-28034 Range Road 3135)
 - v. Rural addresses and new industrial multi-parcel subdivisions shall have an even civic address numbers on the west and south side of the road;
 - vi. Rural addresses and new industrial multi-parcel subdivisions shall have odd civic address numbers to be on the east and north side of the road;
 - vii. Civic Address numbers to increase going north and west;
 - viii. Where a numbered prefix of a civic address may be required in combination with a lettered suffix, the numbered prefix will take precedence and the lettered suffix will appear immediately after the numbered prefix;
 - ix. For multi-parcel subdivisions, civic address will be assigned at the intervals of the internal subdivision road and will have odd and even civic numbers on opposite sides of the road;
 - x. For multi-parcel subdivision civic addresses will be numbered clockwise from the internal subdivision road entry using increments of 4, or as may otherwise be directed by the Administrator, in its direction;
 - xi. Where a parcel of land is located adjacent to a Highway or a highway service road, the parcel of land will be assigned a civic address relating to the Highway unless the administrator, in its discretion assigns a name for the highway or related service road.
- b. The administrator shall be responsible for maintaining the numbering system and shall keep a record of all civic addresses assigned under this bylaw.

6. Civic Address Display and Signage

- a. Each parcel of land assigned a civic address shall have a posted civic address sign that complies with the following requirements:
 - i. Rural Civic Address Sign Design:
 1. Sign Material: Aluminum Ash 5052-H32 14 Gauge (1.64 mm thick)
 2. Sign Face:

 3. Sign Dimensions: 150 mm x 300 mm
 4. Sign Background Colour: Blue
 5. Post: 4x4 wooden post, U-Channel Post, or other as approved by the RM
 - iii. Civic Address Sign Placement
 1. For rural single parcels of land the civic address sign shall display the civic address assigned by the municipality pursuant to the Civic Addressing Bylaw, with the civic address sign affixed to the right hand side of the approach to the parcel of land (looking from the road to the parcel) where it is visible from the primary access at the property line with the road allowance, or at such other location as may be directed by the Administrator;
 2. For parcels of land within a multi-parcel subdivision, the civic address sign shall display the civic address assigned by the municipality pursuant to the civic address assigned by the municipality pursuant to the civic addressing bylaw with the civic address sign affixed to a corner along the property line with the road allowance, where it is visible from the road or at such other location as may be directed by the Administrator;

Civic Address Sign Installation and Maintenance

7. For single parcels of land, the Municipality shall be responsible for all supply and installation of civic address signs;
8. For new multi-parcel subdivisions, the developer shall be responsible for the supply and installation of civic address signs in accordance with the specifications established by the Municipality;
9. All civic address signs shall remain the property of the Municipality and the Municipality shall be responsible for all maintenance of civic address signage.

Prohibited Postings

10. An owner shall not post or permit to be posted any part of a civic address which is not assigned to the property.
11. An owner shall not display on a property any number which is not the assigned civic number, apart from a lot and block number, unit number or number which is clearly part of a business name.

12. No person shall place any other signage on the civic addressing posts.

Civic Address Sign Costs

13. The Municipality shall be responsible for all costs relating to the supply and installation of civic address signs for:
 - a. All single parcels of land that have been assigned a civic address prior to May 1, 2023; and
 - b. All parcels of land within a multi-parcel subdivision that is registered prior to May 1, 2023 where addresses have been assigned.
 - c. For all civic address signs for parcels of land that assigned a civic address on or after May 1, 2023, or where a sign has been vandalized or stolen, owners or developers shall pay the cost associated with the supply and installation of civic address signs whether or not a civic address sign had previously been installed by the Municipality or another party.
 - i. Cost with new post: \$150
 - ii. Cost with existing post: \$100

Enforcement of Bylaw

14. The administration and enforcement of this bylaw is hereby delegated to the administrator.
15. The administrator is hereby authorized to further delegate the administration and enforcement of this bylaw.

Inspections

16. The inspection of any parcel of land or property by the municipality to determine if this Bylaw is being complied with is hereby authorized;
17. Inspections under this Bylaw shall be carried out in accordance with Section 362 of the *Municipalities Act*;
18. No person shall obstruct a designated officer that is authorized to conduct an inspection under this section.

Order to Remedy Contraventions

19. If a designated officer finds that a person is contravening the bylaw, the designated officer may, by written order, require the owner or developer of a parcel of land to remedy the contravention;
20. Orders given under this bylaw shall comply with Section 364 of the *Municipalities Act*.
21. Orders given under this Bylaw shall be served in accordance with Section 390(1)(a), (b), or (c) of the *Municipalities Act*.

Registration of Notice of Order

22. If an order is issued pursuant to this bylaw, the Municipality may, in accordance with Section 364 of the *Municipalities Act*, give notice of the existence of the order by registering an interest against the title to the parcel of land that is the subject of the order.

Appeal of Order to Remedy

23. A person may appeal an order in accordance with Section 365 of the *Municipalities Act*.

Municipal Remedying Contraventions

24. The Municipality may, in accordance with Section 366 of the *Municipalities Act* take whatever actions or measures are necessary to remedy a contravention of this bylaw.

Recovery of Unpaid Expenses and Costs

25. Any unpaid expenses and costs incurred by the Municipality in remedying a contravention of this bylaw may be recovered either:
- By civil action for debt in a court of competent jurisdiction in accordance with Section 368 of the *Municipalities Act*; or
 - By adding the amount to the taxes on the parcel of land where the work was completed in accordance with Section 369 of *Municipalities Act*.

Offences and Penalties

26. No person shall:
- Fail to comply with an order made pursuant to this bylaw; or
 - Obstruct or interfere with any designated officer or any other person acting under the authority of this bylaw; or
 - Fail to comply with any other provisions of this bylaw.

Notices of Violation

27. Where a designated officer has reason to believe that a person has contravened this bylaw, the designated officer may serve on that person a Notice of Violation.
28. A Notice of Violation served in accordance with subsection (1), which contains a voluntary payment amount of 50%, determined by the number of times a notice of violation has been issued for the same parcel of land, to the same owner as follows:

<u>Offence Description</u>	<u>Payment amount</u>
1 st Notice of Violation	\$300
2 nd Notice of Violation (within 1 year of 1 st notice)	\$400
3 rd Notice of Violation (within 1 year of 2 nd notice)	\$500
4 th Notice of Violation (within 1 year of 3 rd notice)	\$1000
Each subsequent Notice of Violation (within 1 year of prior notice)	\$1000

29. When a notice of violation is issued, a person may voluntarily make payment of the amount shown of the notice of violation, if the person does so before the date specified as the payment date set out in the notice of violation.
30. A notice of violation shall be served by any method available to the Municipality pursuant to the *Municipalities Act*.
31. Where the Municipality received voluntary payment of the amount prescribed within the time specified, the person receiving the Notice of Violation shall not be liable to prosecution for the alleged contravention.
32. Payment of any voluntary payment in the amount specified in a notice of violation does not relieve the owner of the property from compliance with an order issued pursuant to this bylaw of the *Municipalities Act*.

General Penalty Bylaw

33. Notwithstanding sections 27-32, every person that contravenes any provision of this bylaw or fails to comply with any order or request directed to that person pursuant to this bylaw is guilty of an offence and is liable, upon summary conviction, to a fine in the following amounts:

<u>Offence Description</u>	<u>Payment amount</u>
1 st Notice of Violation	\$300

RURAL MUNICIPALITY OF HOODOO NO. 401

BYLAW 6, 2022

A BYLAW TO PROVIDE FOR THE NUMBERING OF HOUSES AND OTHER BUILDINGS

The Council of the Rural Municipality of Hoodoo No. 401 in the Province of Saskatchewan enacts as follows:

1. This bylaw shall be referred to as the "Civic Addressing Bylaw".
2. A uniform system of numbering houses and other buildings is hereby established and is shown on the attached Schedule "A", appended hereto and forming part of this bylaw.
3. A separate number shall be assigned to each subdivided lot, storage lot and rural residence. All rural addresses shall be assigned according to the *Saskatchewan Provincial Standard System for Rural Addressing*.
4. The cost of the installation and materials for the signs will be the responsibility of the property owner and will be invoiced accordingly. In the installation and materials on the storage lots located around Wakaw Lake, those costs will be shared by the Municipality and the Lessee equally.
5. Any unpaid installation costs may be recovered by adding the amount to the taxes on the Parcel of Land on which the work was done in accordance with Section 369 of *The Municipalities Act*.
6. Any damage or destruction of the posts and/or signs will be the responsibility of the land owner or responsible party and will be subject to a fine of \$250.00 plus the cost of the replacement of the post and/or sign.
7. The administration and enforcement of this Bylaw is hereby delegated to the Administrator. The Administrator is hereby authorized to further delegate the administration and enforcement of this Bylaw.

Rural Municipality of Hoodoo No.401 Report

For: RM of Hoodoo - council
Date: April 10, 2023
From: Ashley Pfeiffer
Title: Domestic Animal Control Bylaw

Options:

1. Receive & file
2. That Bylaw 8 of 2023, A Bylaw to Control Domestic Animals, be laid on the table under order of business "Bylaws".
3. Other (Council)

Background: A request was received from a ratepayer at Wakaw Lake for the RM to implement a Bylaw restricting animals to be running at large. The RM currently has Bylaw 5 of 2010 which controls dogs running at large in the Organized Hamlet of Cudsaskwa.

Discussion: Many municipalities have a bylaw in place to enforce animals/pets to be on-leash off of their owners' property. Because of the dense capacity at the lake subdivisions, and not all properties being fenced, having such bylaw in place can help control loose animals. We can also regulate litter and nuisance.

While there have been no complaints about cats, they have been included to avoid revisions to this bylaw in the future should issues with cats arise.

Financial Implications: None for the RM. Penalties can be given to the owners if they contravene the bylaw.

Conclusion: The RM has had a couple complaints about dogs running at large within the subdivisions and we have not had a way to regulate this. This will help the ratepayers feel safer throughout the subdivisions and make it equal around the lake as Cudsaskwa is currently the only subdivision with an animal control bylaw. This also will be able to help us regulate dogs at large and abandonment throughout the RM.

Thanks Ashley,

In that case I would urge Council to adopt a bylaw and enforcement mechanism to regulate this. Given properties around the lake are not fenced, owners should be responsible for and ensure their animals stay within their boundaries.

Sincerely,

Good morning [REDACTED]

My apologies for taking so long to reply, we switched emails and yours got lost in the process.

At this time, we only have a bylaw in place for the Organized Hamlet of Cudsaskwa. I have attached for you to see.

Do you have a concern you'd like to bring forward?

Thanks,

RURAL MUNICIPALITY OF HOODOO NO. 401

Bylaw No. 8 of 2023

A Bylaw to Control Domestic Animals.

The Council of the RM of Hoodoo No. 401, in the Province of Saskatchewan, enacts as follows:

1. Title and Purpose:

- a. This bylaw may be referred to as The Animal Control Bylaw
- b. The purpose of this Bylaw is to promote the safety, health and welfare of people and the protection of people and property in the Rural Municipality of Hoodoo, and to ensure the humane treatment and control of animals.

2. Definitions:

In this Bylaw, the following definitions apply:

- a. **Municipality or RM** – means the Rural Municipality of Hoodoo.
- b. **Administrator** – means the Administrator for the RM of Hoodoo.
- c. **Council** – means the Council for the RM of Hoodoo.
- d. **Bylaw Enforcement Officer** – means the person or persons appointed or contracted by Council of the RM of Hoodoo for the purpose of enforcing the provisions of this bylaw.
- e. **Domestic Animal** – means an animal that is not wild and is kept as a pet.
- f. **Cat** – means a male or female cat or a male or female kitten over eight (8) weeks of age.
- g. **Dog** – means a male or female dog or a male or female puppy over eight (8) weeks of age.
- h. **Owner** – means:
 - a. A person, persons, partnership association, or corporation who keeps, possesses, harbors, or has care of a dog or cat.
 - b. The person who is responsible for the custody of a minor where the minor is the owner of a dog or cat.
- i. **Running at Large** – means when the dog or cat is beyond the boundaries of the land occupied by the owner, possessor, or harbourer or keeper of the said dog or cat, or beyond boundaries of any lands where it may be with the permissions of the owner or occupant of the said land and is not under control by being:
 - a. In the direct and continuous charge of a person competent to control it; or
 - b. Securely confined within an enclosure; or
 - c. Securely fastened so that it cannot roam beyond the boundaries of the owner's property.

- j. **Wakaw Lake** – means all subdivisions and their respective storage districts surrounding Wakaw Lake under the RM of Hoodoo jurisdiction being:
 - a. - 3. Running at Large**
- a. The owner of a domestic animal shall not, at any time, allow the animal to run at large off their private property.
 - b. When a domestic animal is found to be running at large, its owner is deemed to have failed or refused to comply with the provisions of this section.
 - c. Where a domestic animal is found to be running at large, an eyewitness or the owner or occupant of that property on which the domestic animal is running at large may make a written complaint to the Bylaw Enforcement Officer.
- 4. Limits – Dogs & Cats**
- a. No person at Wakaw Lake or Wakaw Deep Woods Campground, shall harbor or keep or keep more than three (3) dogs and (3) cats on any one property.
- 5. Litter**
- a. If a domestic animal defecates on any public or private property other than the property of an owner of that said domestic animal, the owner shall cause such defecation to be removed immediately and disposed of in a sanitary fashion. Failure to cause such removal shall be an infraction of this bylaw.
 - b. Defecations deposited on the private property of the owner shall be removed and disposed of in a sanitary manner on a daily basis.
- 6. Nuisance**
- a. The owner of a domestic animal shall not allow the animal to create a nuisance to any person by barking, howling, hissing, attempting to bite, or biting anyone or other animal, chasing vehicles, bicycles, people, or by urinating, defecating, or spraying on or otherwise damaging or interfering with any property other than the property of the owner. Any owner who contravenes this section commits an offence under this bylaw.
- 7. Abandonment**
- a. It shall be a contravention of this Bylaw to abandon a domestic animal within the boundaries of the Municipality.
- 8. Penalty**
- a. A person who contravenes any provisions of this bylaw or neglects or refuses to comply therewith shall be guilty of an offence and, upon receiving a Notice of Violation, shall be liable to a penalty of:

TO: R.M. of Hoodoo #401, Reeve & Council Members

The Board of St. Michael's Haven has done the preliminary budget for the 2023-2024 Fiscal year which begins on April 1, 2023. A copy of the proposed Budget is enclosed with this letter.

While our resident numbers are getting a little higher, and our income is slightly better, the overall food, utility and operating costs continue to raise. While we are continuing all our fundraising efforts to help offset the costs, we will still require your support.

St. Michael's Haven is requesting \$25000 from the R.M. for its operating budget.

If you have any questions or concerns, please contact me.

Thank you very much for your continued support.

Yours truly,

Robert Sholter

Rural Municipality of Hoodoo No.401 Report

For: RM of Hoodoo - council

Date: April 10, 2023

From: Ashley Pfeiffer

Title: iHunter

Options:

1. Receive & file
2. That the RM enters an agreement with iHunter to have the RM of Hoodoo map available for sale (with residences) through their app, with the RM receiving a portion of the proceeds of each sale.
3. That the RM enters an agreement with iHunter to have the RM of Hoodoo map available for sale (without residences) through their app, with the RM receiving a portion of the proceeds of each sale.
4. Other (Council)

Background: In 2021, Administration brought forward a report regarding getting new maps printed, with an option to engage with iHunter to have maps available for purchase on their app at no cost to the RM. There was also information brought forward regarding potential privacy issues ('function creep'), and the decision was made to have maps printed with no residences denoted on them, and not to put the maps on iHunter.

Discussion: Leading up to bringing the report forward in 2021, and since then, the office receives many requests by phone, in-person, and via email to have the map available on iHunter (~1 – 2 dozen/yr).

iHunter is an app and webpage that allows for people to purchase RM maps digitally. It's used mainly by hunters, to determine who owns which quarters of land.

Because Prairie Mapping has copyright to our maps, we would notify them to send our RM map to iHunter. There is no additional work that needs to be done.

There is no way for people to get phone numbers, addresses, personal information, etc. from iHunter; all that shows is the name of the landowner on their respective quarters. Council can choose if they want the residences on or not (we currently do NOT have residences on the public maps available for purchase).

According to iHunters website, there is 264 RM's that have their map uploaded to the site, meaning Hoodoo is one of 32 RM's in the province not using this. I've reached out to the surrounding RM's and they have had no negative feedback and all commented that they are glad they are on it, they do still sell quite a few paper maps. Each of the surrounding municipalities that border the RM of Hoodoo have their map available for purchase on iHunter.

Council might want to considering updating the maps to add the TWP/RR numbers and correcting the super grids before uploading to iHunter. Prairie Mapping has quoted \$90.00 for this update. Administration will be including this update for the next time maps are printed (will be putting in an order this fall).

Financial Implications:

All Prairie Mapping maps that are currently on iHunter are priced at \$21.99, however if we wanted a different price, we could discuss with Prairie Mapping and possibly have it changed. Maps range from \$14.99 to \$31.99 on iHunter.

Because Prairie Mapping has the copyright to the RM Map, the cost sharing model between Prairie Mapping and iHunter is 45% iHunter and 55% Prairie Mapping. Prairie Mapping then splits their revenue with the RM 50/50.

iHunter would send Prairie Mappings royalties at the end of each year, and Prairie Mapping would send the RM their royalties approximately 6 months later. There is a \$20.00 administration charge that Prairie Mapping charges the RM for this service, is taken out of the annual royalties.

With iHunter and Prairie Mapping, we would make about \$6.04 per map sold.
 $\$21.99 \times 55\% = 12.09 / 2 = \6.04

The last time maps were ordered the cost was \$7.95 + GST per map, and we sell for \$13.51 + GST/PST. The difference, not including taxes, is \$5.56 per map revenue.

The RM would be earning more per map by selling on iHunter.

Conclusion: It is Council's decision whether to engage with iHunter to have the map available for purchase through the app/website, or to continue selling paper copies of the maps only.

Including names on municipal maps – can the complicated be made simple?

February 22, 2021 - Diane Aldridge, Executive Director of Compliance

I grew up on a farm and know how isolated you are out there. Most neighbors are out of eyeshot and earshot and though some know when you are away, you hope it isn't common knowledge as you most likely will end up with something stolen from your property, gas being one of the most coveted items.

The reason I bring this up, is that recently, our office hosted a number of webinars on the application of *The Local Authority Freedom of Information and Protection of Privacy Act* (LA FOIP) and the topic of access to municipal maps of a municipality came up. And, what is interesting, is that almost everyone seems to be using them for different purposes and none are sure whether or not to include names on them. For example, one informed me that, "[o]ur RM Maps have been available for purchase by the public prior to 1993. They were typically purchased for assessment information, landowner name information, roads and lakes in the area." I was also told hunters are interested in the information as they need to seek consent from the owner so are not breaking trespassing laws.

In reviewing one of these maps, I noticed that in some cases, the name is that of a business, not a person. **In assessing risks to privacy, you always need to start with the question, "is there personal information involved about an identifiable individual?"** A business or company, although having an interest in confidentiality, has no privacy protection under LA FOIP. What property a person owns or where a specific person lives, I would expect to be personal information pursuant to subsections 23(1)(e) and 23(1)(j) of LA FOIP. A home address/location is arguably more sensitive.

As soon as you have determined that you have personal information, then you need to know what your authority is to have collected it, use it internally and disclosed it to others. Based on the questions I received, I don't think this has been well established. For example, are you required to prepare these maps because of a provision in another law or are the maps assembled primarily for the municipalities' internal purposes? Section 24 of LA FOIP, allows for collection of personal information **if it relates to an existing or proposed program or activity of the local authority.**

If you are using the information on the map for the same purpose that it was originally obtained or the use is consistent with that purpose, then you probably have authority to use it. However, disclosure to external individuals is a different matter, especially if the reasons external parties want it varies.

If you are looking for **authority to disclose personal information to a third party**, you need to see if any provisions in subsection 28(2) of LA FOIP, section 10 of the LA FOIP Regulations or another law applies. If you can't find the authority, then maybe you don't have authority to disclose it and doing so would result in a privacy breach.

The analysis doesn't end there. I'm assuming that there are old maps and as details change (i.e. owners, assessed values), the maps are updated. How far back does the practice of collecting and assembling these maps go? And, how were they made available? Did the practices change over time? Why is that important?

Consider whether sections 3 or 4 of LA FOIP would have any application. If the municipality has always made this type of information available for purchase or has historically made it readily available to others outside the municipality, then it could be argued that LA FOIP privacy provisions do not apply. Over the years, though I think it is reasonable to conclude that practices have shifted in terms of who seeks what information and why and how it is

made accessible. For example, if in the old days the map was simply tacked to a wall that you could only see if you walked into the office, access was restricted, so not really publicly available. Now, everyone wants access to the information on websites or platforms that can readily be mined and used to create dossiers on individuals. **When information is collected for one purpose, but used for another unrelated purpose, we call that *function creep*. It is a practice to be avoided.**

It has been suggested to me that because information may be available from the assessment/tax roll, that it could be available for other purposes at other times. Subsection 213(1) of *The Municipalities Act* clearly limits when and how access to that information is provided and is for a specific purpose. Opening it for other purposes might not be found to be appropriate if not for a consistent purpose. This however has not been tested to my knowledge.

Finally, in terms of what else **is open for public inspection**, I note the list in subsection 117(1) of *The Municipalities Act* does not include municipal maps.

I've been told there isn't a specific address on the map, but the map is after all a map. If there is a little square on the location, that is where the person most likely lives. The mailing address for my parents is less sensitive than this little square on the map with their name beside it because it is a box number in town.

I've heard some people want their names removed, so clearly some are concerned about this type of information being publicly available. And, I think from what we saw in the news recently with protestors outside our provincial Chief Medical Health Officer's family home, finding out where someone lives can be used for unintended purposes.

Even after all this, if you decide that including personal information on municipal maps is the way to go for your municipality, remember, if a complaint comes to our office, you will have to demonstrate how you arrived at the conclusion that releasing it is authorized and by what legal instrument(s).

And, after all, I am informed that much of what is accessible on the municipal maps is already available from other sources. If individuals are motivated enough, they can seek the information they need for their own purposes, whether it be from land titles or other sources. **I propose that instead of navigating all of the above, if after deciding these maps are still worth the effort, maybe consider a new practice; asking individuals if they want their names on the map or not.** Consent, after all, is the gold standard and simplifies everything.

Alternatively, the best and safest practice would be to produce the maps without any individual names. Company names could be included, but why not publish the maps with no owner's names. **Also, publish the maps with the least amount of additional information.** For example, is it necessary to indicate there is a residence on a particular quarter of land? I leave that up to you to decide.

Rural Municipality of Hoodoo No.401 Report

For: RM of Hoodoo - council

Date: April 5, 2023

From: Ashley Pfeiffer

Title: Reconsider Subdivision Request – NE 31-42-25

Options:

1. Receive & file
2. That administration sends a letter to Community Planning indicating that Council will consider a Zoning Bylaw amendment application to allow for more than one subdivision in the Conservation District.
3. That administration sends a letter to Community Planning indicating that Council will consider a zoning amendment application to have the land NE 31-42-25 W2 that is currently zoned as Conservation District to Agriculture District.
4. Other (Council)

Background: A report was brought to the January 11, 2023 Council meeting, requesting approval for a subdivision (NE 31-42-25 W2) that currently contravenes the Zoning Bylaw – as per 6.3 in the ZB, a maximum of one subdivision is allowed in the Conservation District; this application would result in two subdivisions. New information in the OCP has been brought forward that may lead Council to reconsider their previous motion.

Discussion: The RM of Hoodoo's Official Community Plan (OCP) provides Council with guidance on this application. The (OCP), states:

2.3.6 Conservation District

- a) The intent of the Conservation District is to provide an area around the shoreline of Wakaw Lake, outside of the existing lakeshore subdivisions to protect sensitive land and restrict future subdivision that will put additional pressure on the lake and surrounding environment. Future subdivisions of lands in the Conservation District will not be supported by Council except in the following instances:

- i) Subdivision of an existing farmstead or residence;
- ii) Subdivision for public utility, conservation of natural resources, wildlife habitat protection, erosion prevention or the creation of visual buffers between lakeshore areas and incompatible adjacent land uses;
- iii) Subdivision for storage lots; or
- iv) Where a concept plan and supplementary information has been submitted for a new subdivision including:
 - a. A professional development impact study indicating, to Council's satisfaction, that additional lakeshore development will not negatively impact the lake and development concerns identified by the Wakaw Lake Lakeshore Development Study, 2012 are not applicable.
 - b. A professional site investigation indicates site suitability and shoreland capability to support the proposed development.

b) Subdivisions permitted by Council under 2.3.6 a) i), iii) and iv) above may be required to be rezoned to an appropriate district.

The applicants want to subdivide the existing farmyard from the farmland to possibly sell the farmland in the future.

The applicants and RM have 3 options:

1. Amend the Zoning Bylaw and OCP to allow for more than 1 subdivision per quarter section in the Conservation District (this was an option brought forward in the report in January, but not chosen by Council).
2. Change the zoning of the farmland and yard site on the NE 31-42-25 to Agriculture District, which already allows for 2 subdivisions per quarter. (Section 2.3.6 b of the OCP states this may happen, as read above).
3. Council can reply with the same response as the first report.

Financial Implications:

Options 1, 2 & 3: None for the RM.

Option 1: As per Bylaw 12, 2018, The **applicant** would pay the following for a Zoning Bylaw and OCP amendment:

- Discretionary Use Application Fee \$400.00
- Text Amendment \$500.00
- Map Amendment \$500.00

Option 2: As per Bylaw 12, 2018, The **applicant** would pay the following for a map amendment:

- Discretionary Use Application Fee \$400.00
- Map Amendment \$500.00

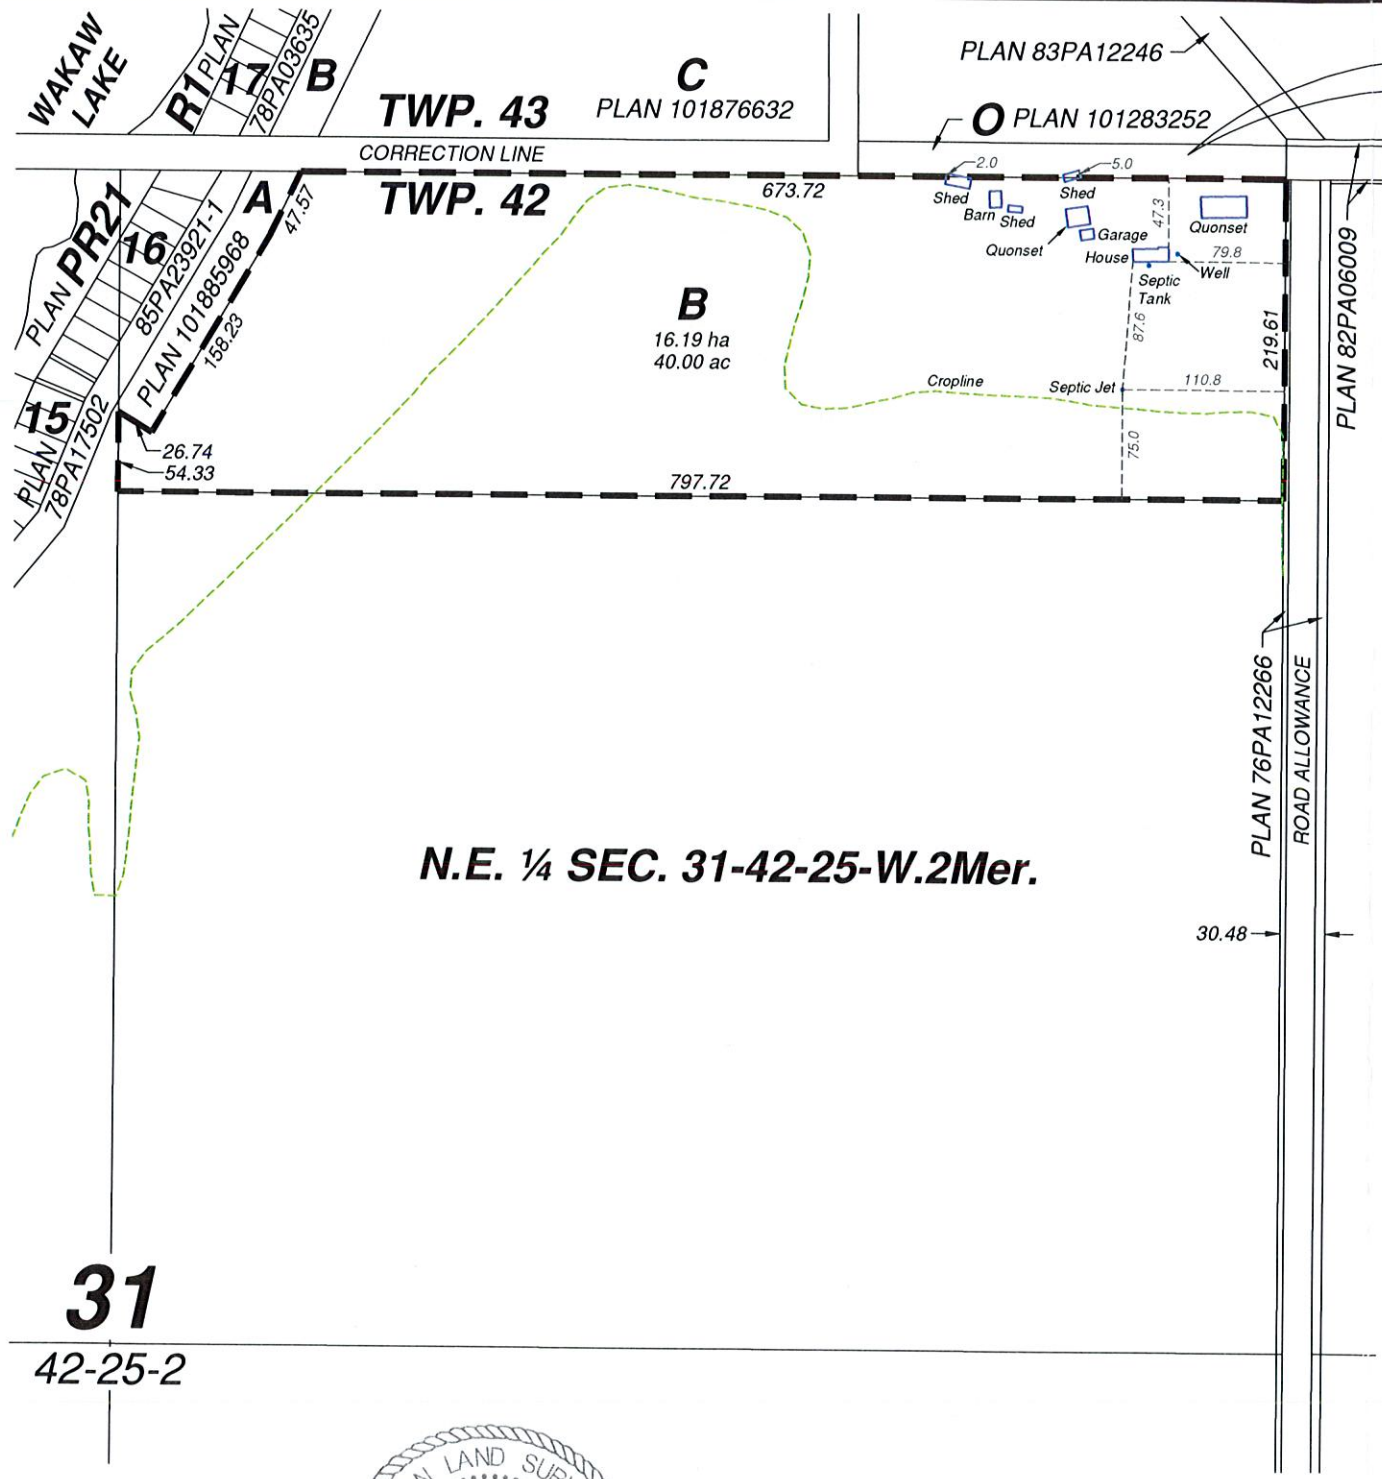

Conclusion: Council can reconsider the subdivision request in light of the new information being brought forward.

Dear Joan Corneil:

**RE: RM of Hoodoo No. 401
NE ¼ Section 31-42-25-W2M
Proposed Parcel B – Residential Use
Proposed Remainder NE ¼ Section 31-42-25-W2M - Agriculture Use**

Enclosed is a copy of a subdivision application for Council's comments. Our office will review the proposal in accordance with of *The Planning and Development Act, 2007* (PDA), and any set of regulations or bylaws adopted pursuant to the PDA. Please consider the following in your reply:

Municipal Bylaws

We cannot approve a subdivision that contravenes a municipal planning bylaw. This proposal does not appear to comply with your zoning bylaw for the following reasons: density only allows for one subdivision off the section, this would be the second.

Please advise if you agree with our interpretation and whether Council will consider amending the bylaw(s). Amendment procedures can be found at <https://www.saskatchewan.ca/government/municipal-administration/community-planning-land-use-and-development/zoning-districts-and-bylaws> or by contacting this office. Please present to council at the earliest opportunity in order to provide our office with a resolution of council within the legislated 40 day timeframe.

Municipal Reserve

As mentioned in the letter to the subdivision applicant, **the subdivision is subject to the municipal reserve requirement of 1.619 hectares**. Council and the applicant should discuss the options to meet the requirement: dedication, monetary settlement to be deposited into a separate dedicated lands account, or deferral. In your reply, please indicate which option council prefers. If a monetary settlement is arranged, we will need another letter confirming you have received payment. The amount will be subject to approval of the Director, who must ensure that it adequately reflects the value of the land that would have been dedicated. The Director's final decision on the type and location of municipal reserve will be based on the recommendation from Council.

Surface Drainage & Flood Potential

Ensuring suitable surface drainage for development is a municipal responsibility. Our initial review of aerial imagery indicates the presence of a number of standing bodies of water and undulating terrain that may be prone to intermittent flooding. Please advise if the RM is aware of any previous flood concerns for the area of the proposed subdivision and whether the municipality has any requirements regarding surface drainage (construction of ditch, placement of culverts, etc.). If so, this may be addressed within a servicing agreement with the developer. **If a surface drainage plan is required, please advise accordingly and provide us with a copy for our records.**

Municipal Services

The Subdivision Regulations, 2014, require there to be adequate solid waste, liquid waste and potable water services for lots created through subdivision. Please advise whether liquid waste generated from proposed development on this site can be hauled to and disposed of at your municipal lagoon.

Servicing Agreement

A core purpose of municipal governments is to provide taxpayers with adequate services. New subdivisions will require new onsite infrastructure built by the applicant, and may require offsite municipal infrastructure to be built or expanded to provide in part for the new development. Municipalities have the authority under the PDA to require an applicant to enter into a servicing agreement to build or cover the cost of infrastructure needed for the subdivision. Capital costs may include upgrades or approaches to existing roads, a share of infrastructure for sewage (lagoons/pipeline) and water (treatment/pipeline) facilities, or recreation facilities (hall/library/rink/etc). The infrastructure costs must be a result of the demands created by the subdivision and does not include operating costs. Please see section 172 of the PDA for details or visit our website at: <https://www.saskatchewan.ca/government/municipal->

[administration/community-planning-land-use-and-development/servicing-agreements-for-municipalities.](#)

If only minor services are needed (e.g. service connections or an approach), exchanging letters with the applicant may form an agreement. Your solicitor should be consulted about finalizing any agreements.

Your municipality has 40 days to advise Community Planning or servicing agreement requirements, and 90 days to complete the negotiation of the agreement with the applicant. Both the applicant and Community Planning branch should be notified as soon as possible. The applicant may appeal a delay over 90 days, or the proposed terms of the servicing agreement, and request the Saskatchewan Municipal Board to arbitrate the agreement.

Further Considerations

The Subdivision Regulations, 2014, allow you 40 days from your receipt of this letter to send us a certified copy of a resolution recommending the subdivision's approval or refusal. If council recommends refusal, state the reasons. Please call me if more time or information is needed.

For your information, I have also enclosed a copy of the acknowledgement letter sent to the surveyor and applicant. Please call me if more details are needed before you reply.

Sincerely,

Rural Municipality of Hoodoo No.401 Report

For: RM of Hoodoo - council

Date: April 5, 2023

From: Ashley Pfeiffer

Title: Community Planning – Subdivision Request – Saskpower

Options:

1. Receive & file
2. That ~~Council directs~~ administration ~~to~~ respond to Community Planning, approving the subdivision application, marked SUBD-001311-2023, on SW 01-40-27 W2 by SaskPower.
3. Other (Council)

Background: ~~An email was received on April 4, 2023 from Community Planning~~ On April 4, 2023, Community Planning sent a letter requesting comments regarding a subdivision application from SaskPower on SW 1-40-27 W2. SaskPower is expanding their plant on the SW 01-40-26 and require a subdivision to acquire more land. They will be subdividing a portion of land beside their existing parcel and then consolidating the two. They are expanding many of their plants all over the province.

Discussion: Section 3.9 of the Zoning Bylaw states the following:

3.9 Public Utilities and Municipal Facilities

~~Public Utilities, Pipelines, and Facilities of the Municipality~~ **amended Bylaw 05 2020**

- ~~3.9.1 Public utilities and facilities of the municipality, except solid and liquid waste disposal sites, shall be permitted uses in every zoning district and no minimum sites or yard requirements shall apply unless otherwise specified in the bylaw.~~
- ~~3.9.2 Where a pipeline or other utility or transportation facility will cross a municipal road and or road allowance, Council may apply such special design standards as it considers necessary to protect the municipal interest in the existing and future improvements to the road.~~
- 3.9.2 Public utilities and municipal facilities, except solid and liquid waste disposal sites, shall be permitted uses in every zoning district and no minimum site requirements shall apply.
- 3.9.1 No minimum yard requirements shall apply to linear public utilities. Buildings shall meet required setbacks unless exempt by Council.
- 3.9.2 Where a public utility will cross or lie within the limits of a municipal road allowance, Council may apply special design standards as considered necessary to protect the municipal interest in the existing and future improvements to the road.

Public utilities are a permitted use in every zoning district. Municipal Reserve is exempt for an application of this nature.

Financial Implications: None.

Conclusion: This request does not contravene any of the RM's bylaws.

Fay Stewart, Administrator
RM of Hoodoo No. 401
Box 250
CUDWORTH SK S0K 1B0

Dear Fay Stewart:

**RE: RM of Hoodoo No. 401
SW ¼ Section 1-40-27-W2M
Proposed Parcel B – Public Utility
Proposed Remainder of SW ¼ Section 1-40-27-W2M – Agriculture**

Enclosed is a copy of a subdivision application for Council's comments. Our office will review the proposal in accordance with of *The Planning and Development Act, 2007* (PDA), and any set of regulations or bylaws adopted pursuant to the PDA. Please consider the following in your reply:

1. **Are you aware of any land uses in the vicinity that would be incompatible with the intended use of the proposed sites, or any site conditions that make the land unsuitable for the intended use?**
2. **Do you have any facilities that could be affected by the proposed development? If so, please send us a map of your facilities that we can use to assess any site dimension or other changes that might be needed.**
3. **If you have any requirements of the applicant, please send the details directly to the applicant, and a copy of your correspondence to us. If you require more information about the application, please inform me. We may be able to obtain this information directly if it would assist your office and ours in finalizing our respective comments.**

... 2

Parcel Ties

As part of the decision for this application, the remainder of surface parcel 152851642 shall remain linked by parcel tie to surface parcel 149516680.

Municipal Bylaws

As part of our review, we need to know if the proposal complies with your zoning bylaw and official community plan (if applicable). **In your reply, please list the bylaw sections that the proposal complies with or contravenes.**

Municipal Reserve

Under clause 183(d) of the PDA, this proposed subdivision is exempt from providing municipal reserve land as the land is to be re-subdivided for the purpose of correcting or rearranging boundaries.

Under clause 183(f) of the PDA, this proposed subdivision is exempt from providing municipal reserve land as the land to be subdivided is intended solely for the purposes of a line or transmission or distribution facility for electricity, natural gas, oil, radio, television, telecommunications, sewage or water.

Servicing Agreement

A core purpose of municipal governments is to provide taxpayers with adequate services. New subdivisions will require new onsite infrastructure built by the applicant, and may require offsite municipal infrastructure to be built or expanded to provide in part for the new development. Municipalities have the authority under the PDA to require an applicant to enter into a servicing agreement to build or cover the cost of infrastructure needed for the subdivision. Capital costs may include upgrades or approaches to existing roads, a share of infrastructure for sewage (lagoons/pipeline) and water (treatment/pipeline) facilities, or recreation facilities (hall/library/rink/etc). The infrastructure costs must be a result of the demands created by the subdivision and does not include operating costs. Please see section 172 of the PDA for details or visit our website at: <https://www.saskatchewan.ca/government/municipal-administration/community-planning-land-use-and-development/servicing-agreements-for-municipalities>.

If only minor services are needed (e.g. service connections or an approach), exchanging letters with the applicant may form an agreement. Your solicitor should be consulted about finalizing any agreements.

Your municipality has 40 days to advise Community Planning or servicing agreement requirements, and 90 days to complete the negotiation of the agreement with the applicant. Both

the applicant and Community Planning branch should be notified as soon as possible. The applicant may appeal a delay over 90 days, or the proposed terms of the servicing agreement, and request the Saskatchewan Municipal Board to arbitrate the agreement.

Further Considerations

The Subdivision Regulations, 2014, allow you 40 days from your receipt of this letter to send us a certified copy of a resolution recommending the subdivision's approval or refusal. If council recommends refusal, state the reasons. Please call me if more time or information is needed.

For your information, I have also enclosed a copy of the acknowledgement letter sent to the surveyor and applicant. Please call me if more details are needed before you reply.

Sincerely,

Jace Ryan

Rural Municipality of Hoodoo No. 401 Report

For: RM of Hoodoo - Council

Date: April 5, 2023

From: Fay Stewart

Title: Lease of RM pasture land – NE 28 40 27 W2

Options:

1. Receive & file
2. That a three-year proposed agreement be sent to R. Harasymchuk for the lease of 11 acres of pasture land located on RM land NE 28 40 27 W2 for \$20/acre.
3. That an invoice be sent to R. Harasymchuk for the lease of 11 acres of pasture land located on RM land NE 28 40 27 W2 for \$20/acre for 2023.
4. That the 11 acres of pasture land located on NE 28 40 27 W2 be advertised for tender for lease.
5. Other (Council)

Background: In 2022, the RM purchased NE 28 40 27 W2. At this time, they were contacted by R. Harasymchuk to continue renting 11 acres of pasture land on the most northern part of the quarter for \$20/acre.

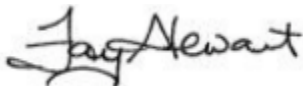

Discussion: Instead of invoicing annually, administration is bringing forward an option of proposing a 3-year agreement.

Financial Implications: The income earned from this rent = \$220 annually

Attachments: Email request from R. Harasymchuk (received May 2022)

Conclusion: Council may decide to continue to invoice annually, propose a three-year agreement, offer it out for tender, or discontinue renting the pasture land.

Respectfully submitted,

Importance: High

ATTN: RM of Hoodoo Council,

Please consider the following proposal from Rob and Janice Harasymchuk:

Now that the RM of Hoodoo has purchased the parcel, located at NE 28-40-27 W2, we would like to continue renting the 11 acres of pasture that was originally owned by [REDACTED] for \$20.00 per acre.

As you are aware, the majority of that parcel is covered in water, the area we were renting is the Northern most part of the ¼.

Please consider this our formal request and look forward to your response.

Thank you,

Rob Harasymchuk

CAO/Administrator

RURAL MUNICIPALITY OF HOODOO NO. 401

Bylaw No. 7 of 2023

A Bylaw for the purpose of assigning civic addresses.

WHEREAS the Council of the Rural Municipality of Hoodoo No. 401 in the Province of Saskatchewan shall assign civic address numbers to properties within the Rural Municipality for the purpose of emergency response and property identification.

NOW THEREFORE the Council of the Rural Municipality of Hoodoo No. 401, in the Province of Saskatchewan enacts as follows:

1. Short Title

This Bylaw may be referred to as the Civic Addressing Bylaw;

2. Purpose and Intent

This Bylaw is intended to:

- a. Identify that civic addresses are required for location purposes for emergency services and identification; and
- b. Provide for addressing and signage requirements.

3. Definitions

In this Bylaw:

- a. "Administrator" means the Administrator (or designate) of the Rural Municipality of Hoodoo No. 401;
- b. "Designated Officer" means an employee or agent of the Municipality appointed by Council or the Administrator to act for the purposes of this Bylaw;
- c. "Internal Subdivision Road" means a public road, named or unnamed, that is used to access parcels of land within a multi-parcel subdivision;
- d. "Owner" means the person that is registered under the Land Titles Act as the owner of the land;
- e. "Primary Access" means the approach that provides the main access to a parcel of land as identified by the Rural Municipality;
- f. "Road Right-of-Way" means:
 - a. A road allowance established by a survey, made under the Land Surveys Act, or;
 - b. A road widening, road diversion, highway, road, street, avenue, land, alley, walkway or other public right-of-way as shown on a plan of survey registered in Information Services Corporation (ISC) or Ministry of Highways;
- g. "Civic Address" is the address assigned by the Rural Municipality that identifies the primary access to a parcel of land determined using a basic grid derived from the Township and Range Roads;

- h. “Civic Address Sign” is a traffic control device as defined in the Traffic Safety Act that indicates the Civic Address of a parcel of land determined by the approach and as specified in this Bylaw. The type of sign used is a Civic Address Sign;

- j. “Road Name” means the official name of a road and road type assigned to a road by this Bylaw;
- k. “Zoning Bylaw” means the Rural Municipality of Hoodoo No. 401 Zoning Bylaw, and all amendments thereto.

4. Civic Address Assignment

- a. All rural parcels of land containing a building and that have a primary access onto a road right-of-way shall be assigned a civic address by the Municipality according to the *Saskatchewan Provincial Standard System for Rural Addressing*;
- b. Where a parcel of land that does not contain a building is part of a multi-parcel subdivision, the Municipality shall assign a civic address according to 5, below.

5. Determination of Addresses

- a. Civic addresses shall be assigned by the Municipality in accordance with the following:
 - i. Each civic address will be determined at the location of the primary access;
 - ii. Each mile of Township Road/Range Road is divided into 40m lot intervals producing 80 addressable lots.
 - iii. If two access locations are within the same 40m lot interval on the same side of the road, a letter designation will be appended to suffix of the civic number (example: 28034A Range Road 3135)
 - iv. If there is a single access to multiple properties, a numerical designation will be appended to the prefix of the civic number (example: #1-28034 Range Road 3135)
 - v. Rural addresses and new industrial multi-parcel subdivisions shall have an even civic address numbers on the **west and south side of the road**;
 - vi. Rural addresses and new industrial multi-parcel subdivisions shall have odd civic address numbers to be on the **east and north side of the road**;
 - vii. Civic Address numbers to **increase going north and west**;
 - viii. Where a numbered prefix of a civic address may be required in combination with a lettered suffix, the numbered prefix will take precedence and the lettered suffix will appear immediately after the numbered prefix;
 - ix. For multi-parcel subdivisions, civic address will be assigned at the intervals of the internal subdivision road and will have odd and even civic numbers on opposite sides of the road;
 - x. For multi-parcel subdivision civic addresses will be numbered clockwise from the internal subdivision road entry using increments of 4, or as may otherwise be directed by the Administrator, in its direction;
 - xi. Where a parcel of land is located adjacent to a Highway or a highway service road, the parcel of land will be assigned a civic address relating to the Highway unless the administrator, in its discretion assigns a name for the highway or related service road.
- b. The administrator shall be responsible for maintaining the numbering system and shall keep a record of all civic addresses assigned under this bylaw.

6. Civic Address Display and Signage

- a. Each parcel of land assigned a civic address shall have a posted civic address sign that complies with the following requirements:

 2. For parcels of land within a multi-parcel subdivision, the civic address sign shall display the civic address assigned by the municipality pursuant to the civic address assigned by the municipality pursuant to the civic addressing bylaw with the civic address sign affixed to a corner along the property line with the road allowance, where it is visible from the road or at such other location as may be directed by the Administrator;

Civic Address Sign Installation and Maintenance

7. For single parcels of land, the Municipality shall be responsible for all supply and installation of civic address signs;
8. For new multi-parcel subdivisions, the developer shall be responsible for the supply and installation of civic address signs in accordance with the specifications established by the Municipality;
9. All civic address signs shall remain the property of the Municipality and the Municipality shall be responsible for all maintenance of civic address signage.

Prohibited Postings

10. An owner shall not post or permit to be posted any part of a civic address which is not assigned to the property.
11. An owner shall not display on a property any number which is not the assigned civic number, apart from a lot and block number, unit number or number which is clearly part of a business name.

12. No person shall place any other signage on the civic addressing posts.

Civic Address Sign Costs

13. The Municipality shall be responsible for all costs relating to the supply and installation of civic address signs for:
 - a. All single parcels of land that have been assigned a civic address prior to May 1, 2023; and
 - b. All parcels of land within a multi-parcel subdivision that is registered prior to May 1, 2023 where addresses have been assigned.
 - c. For all civic address signs for parcels of land that assigned a civic address on or after May 1, 2023, or where a sign has been vandalized or stolen, owners or developers shall pay the cost associated with the supply and installation of civic address signs whether or not a civic address sign had previously been installed by the Municipality or another party.
 - i. Cost with new post: \$150
 - ii. Cost with existing post: \$100

Enforcement of Bylaw

14. The administration and enforcement of this bylaw is hereby delegated to the administrator.
15. The administrator is hereby authorized to further delegate the administration and enforcement of this bylaw.

Inspections

16. The inspection of any parcel of land or property by the municipality to determine if this Bylaw is being complied with is hereby authorized;
17. Inspections under this Bylaw shall be carried out in accordance with Section 362 of the *Municipalities Act*;
18. No person shall obstruct a designated officer that is authorized to conduct an inspection under this section.

Order to Remedy Contraventions

19. If a designated officer finds that a person is contravening the bylaw, the designated officer may, by written order, require the owner or developer of a parcel of land to remedy the contravention;
20. Orders given under this bylaw shall comply with Section 364 of the *Municipalities Act*.
21. Orders given under this Bylaw shall be served in accordance with Section 390(1)(a), (b), or (c) of the *Municipalities Act*.

Registration of Notice of Order

22. If an order is issued pursuant to this bylaw, the Municipality may, in accordance with Section 364 of the *Municipalities Act*, give notice of the existence of the order by registering an interest against the title to the parcel of land that is the subject of the order.

Appeal of Order to Remedy

23. A person may appeal an order in accordance with Section 365 of the *Municipalities Act*.

Municipal Remedying Contraventions

24. The Municipality may, in accordance with Section 366 of the *Municipalities Act* take whatever actions or measures are necessary to remedy a contravention of this bylaw.

Recovery of Unpaid Expenses and Costs

25. Any unpaid expenses and costs incurred by the Municipality in remedying a contravention of this bylaw may be recovered either:
- By civil action for debt in a court of competent jurisdiction in accordance with Section 368 of the *Municipalities Act*; or
 - By adding the amount to the taxes on the parcel of land where the work was completed in accordance with Section 369 of *Municipalities Act*.

Offences and Penalties

26. No person shall:
- Fail to comply with an order made pursuant to this bylaw; or
 - Obstruct or interfere with any designated officer or any other person acting under the authority of this bylaw; or
 - Fail to comply with any other provisions of this bylaw.

Notices of Violation

27. Where a designated officer has reason to believe that a person has contravened this bylaw, the designated officer may serve on that person a Notice of Violation.
28. A Notice of Violation served in accordance with subsection (1), which contains a voluntary payment amount of 50%, determined by the number of times a notice of violation has been issued for the same parcel of land, to the same owner as follows:

<u>Offence Description</u>	<u>Payment amount</u>
1 st Notice of Violation	\$300
2 nd Notice of Violation (within 1 year of 1 st notice)	\$400
3 rd Notice of Violation (within 1 year of 2 nd notice)	\$500
4 th Notice of Violation (within 1 year of 3 rd notice)	\$1000
Each subsequent Notice of Violation (within 1 year of prior notice)	\$1000

29. When a notice of violation is issued, a person may voluntarily make payment of the amount shown of the notice of violation, if the person does so before the date specified as the payment date set out in the notice of violation.
30. A notice of violation shall be served by any method available to the Municipality pursuant to the *Municipalities Act*.
31. Where the Municipality received voluntary payment of the amount prescribed within the time specified, the person receiving the Notice of Violation shall not be liable to prosecution for the alleged contravention.
32. Payment of any voluntary payment in the amount specified in a notice of violation does not relieve the owner of the property from compliance with an order issued pursuant to this bylaw of the *Municipalities Act*.

General Penalty Bylaw

33. Notwithstanding sections 27-32, every person that contravenes any provision of this bylaw or fails to comply with any order or request directed to that person pursuant to this bylaw is guilty of an offence and is liable, upon summary conviction, to a fine in the following amounts:
